Society of the United States and
Humane Society International

Online Auction for Animals September 17-27, 2026

Would you be willing to donate an item or experience to help animals in need?

Humane World for Animals is excited to announce our 2026 online Auction for Animals, which will take place **Thursday, September 17, through Sunday, September 27**, giving thousands of our supporters an opportunity to aid our life-changing work for all animals. Your donation helps to fuel our fights to end the cruelest practices toward animals.

Inspiration

Custom getaways, one-of-a-kind items that reflect our donors' love for animals, unique experiences and products that can't be found elsewhere tend to attract the most attention.

Our most popular auction categories include

- Travel and experiences
- Animal care items
- Cruelty-free and vegan beauty and fashion
- Jewelry, gifts, and home goods

While our auction is shared with supporters across the country, we still encourage opportunities that can be redeemed in major metropolitan areas, such as tickets to sporting events, VIP entertainment packages or local excursions and food experiences. Need more inspiration? YOU are our auction audience! Which items or packages would you want to bid on?

Guidelines

- All items are subject to approval by Humane World.
- A minimum retail value of \$75 is required.
- Gifts of substantive quality and value are required.
- Products must be vegan and cruelty-free to align with our mission.
- Items that are close to expiring or expired will not be accepted.
- We will prioritize products from companies that demonstrate the highest environmental and social impact standards.

Your donation means a lot to us, and we look forward to including your auction item in promotions that will be emailed to 1.2 million of our supporters. Our millions of followers will also see the auction shared on social media!
